Transforming Healthcare Environments

Architectural Finishes • Interior Branding • Environmental Graphics

Core Solutions for Hospitals & Healthcare Systems

Architectural Finishes

Durable, cleanable and installed directly over existing surfaces, minimizing downtime.

- Wall refresh with infection-control friendly materials
- Millwork refinishing (nurse stations, cabinets, reception areas)
- Door and frame recovery
- Elevator interiors

- Privacy films (HIPAA-friendly)
- Distraction markers and safety striping
- Frosted, decorative, and branded films
- Gradient films for patient areas and behavioral health

Glass Films

Functional and aesthetic enhancements for clinical and administrative spaces.

Large-Format Graphics

High-resolution visual environments that promote calm, trust, and brand alignment.

- Healing environment graphics
- Pediatric themes
- Staff wellness and recognition walls
- Community story walls
- Donor and mission displays
